A Shared Vision for Well-being: Connecting nature, art, science and caring to transform workplace culture

Siobhan Wragg RN School of Nursing, University of Wollongong, Australia, Nicole Tate, RN Director of Nursing and Midwifery, Bega Valley, Australia

**OUR VISION**
Helping people lead healthy lives

**OUR MISSION**
Delivering healthcare that matters

**OUR CORE VALUES**
Collaboration
Openness
Respect
Empowerment

A sense of caring for self, staff and patients

Fun Competitions e.g. sepsis cake competition, art and craft competition of recycled work waste
Street library
Executive rounding
Newsletters
Art

Connectedness to each other our environment and our community

Shared vision shared values

A place to meet

Open nursing forums hearing new ideas and also concerns
Above and below the line behaviour programs and above and beyond duty of care recognition
Monthly staff gatherings on site e.g. BBQ

Music to our ears
