Title:
SPECIAL SESSION: GAPFON: An Agenda to Collaboration, Connect, Catalyze

Keywords:
GAPFON, global advisory council and global health strategies

Description/Overview:
The Global Advisory Council on Nursing and Midwifery (GAPFON) led to publication of
global nursing and midwifery professional issues, health priorities, and a high-level
stakeholder meeting of global nursing organizations during 2018. We will discuss the
GAPFON process, clustering of global strategies, subsequent actions, and outcomes
from the stakeholder meeting.
