Title:
SPECIAL SESSION: Faculty Knowledge and Skills Development: A Review for Nurse Educators

Keywords:
faculty, nurse educators and skills development

Description/Overview:
This presentation will include information on an asynchronous learner-paced educational activity aimed to support academic nurse educators in their quest for knowledge. Mapped to all major content areas for the Certified Nurse Educator (CNE) credentialing examination, this six-course program is engaging, featuring interactive practice scenarios, knowledge checks, and downloadable resources.

Author Summary: Dr. Matthew Howard currently serves as the Director of Scholarship Resources at Sigma. While also serving as faculty at Northern Kentucky University, he works as a staff nurse in the emergency department at Eskenazi Health. His nursing career has taken him from stretcher-side nursing to academia and back. His clinical background includes emergency department, flight, and trauma nursing, along with several leadership positions. He currently serves several nursing associations including ENA, INDEN, NNERN, and Sigma.
