Create Funds for Chapter Grants

• Who should lead the campaign?
  – Chair or co-chairs are essential
  – A task force of key chapter leaders will distribute the effort and accountability

• Select a goal and target date
  – The goal will be the principal needed to generate the interest necessary for funding annual awards.
  – The target date can be a special chapter celebration, such as an anniversary
Create Permanent Funds for Grants

• Be realistic!
  – The average for participation in a fundraising campaign is 20%
  – It can take at least seven contacts before a donor contributes

• Logistical considerations in planning a campaign:
  – Start-up costs may include a brochure, return envelopes, letterhead, envelopes, postage and an online donation website
  – Ongoing chapter responsibilities include tracking donations, thank you letters with tax-exempt information included, financial integrity, etc.

Announcements

Chapter Communications Change
By: Michelle Lilly, Aug 21, 2012 8:40 AM

Starting in September, chapter leaders will notice a decrease in the number of e-mail communications delivered to their inbox. To ensure your chapter receives all relevant communications, please update your chapter leader listing in the Officer and Committee Chair Report in the Management System at www.nursingsociety.org/chapters. Many communications, such as Connections and Membership News for Chapter Leaders, will be posted in this workgroup

Three full-days of educational programing encompassing two “stand-alone” events. One event is focused on nursing leadership and the other is focused on chapter training. Both events will include plenary and concurrent sessions, poster sessions, STTI Info Fair, exhibitors and networking with nurses from around the globe.

Invite members to attend the first half of the forum, 20-21 September, focusing on nursing leadership. The chapter training sessions will occur on 21-22 September. As chapter leaders, you may find it beneficial to attend the entire three-day forum.
