Objectives

Objectives

A target with concentric black and white rings. A blue arrow is shown hitting the center bullseye.

- ✓ Identify the purpose of engaging pre-nursing students with nursing faculty in the freshman year.
- ✓ List three sources of purposeful mentoring available for nursing students.

Historically...

Nurturing=Surviving!

The image shows two female healthcare professionals, likely nurses or doctors, in a clinical setting. They are both wearing blue scrubs and have stethoscopes around their necks. The woman on the right is pointing at a laptop screen, while the woman on the left looks on with a smile. The word "Mentorship" is written in large, bold, yellow letters across the center of the image, overlaid on a dark blue horizontal band.
