The value of concept maps in theory-practice integration

Lizeth Roets
roetsl@unisa.ac.za
Introduction

Concept maps

- Enabling tool
- Stimulate creative thinking
- Stimulate independent learning
- Assist to identify gaps in knowledge
- Debriefing exercise
Narrative reflections

Supervisors need to reflect on what is portrayed in concept maps to identify evidence of theory and practice integration.
Activity

Draw a concept map that illustrates how you understand concept mapping based on the information received during the seminar.

(10 minutes)
DISCUSSION
Thank you
