INTRODUCTION

Poster/strawer can significantly reduce waste by printing only the content you can see. However, it can be challenging to fit all the information you want to present into the space. The key is to keep your text concise and clear. Here are some tips to help you:

- Use bullet points and subheadings to break up your text.
- Avoid using too much jargon or technical terms.
- Use standard, readable fonts.
- Keep your margins consistent.

In the background, there is a map of the world with various countries highlighted. The map is colorful and includes the names of the countries. The countries highlighted include the United States, Canada, Mexico, Brazil, Argentina, and several European countries. The font used for the country names is Arial, and the color of the font is black. The background of the image is a gradient of blue and green, and there is a small icon of a compass in the top left corner.
