Sampling of Recent Global Engagement

- Global department launched at STTI headquarters
- Regional areas redefined, to include separate global regions in Africa, South America, Europe, Asia, Middle East and Oceania
- Regional Coordinators to support chapters in these areas
- A president from outside North America elected in 2013
- First satellite office established in South Africa
- Leadership Academy launched outside North America
- Global Advisory Panel on the Future of Nursing and Midwifery (GAPFON)
STTI Global Initiatives

A blueprint
For Global Growth and Stability
STTI Global Initiatives
Strategic Directions

Member Growth
Member Engagement
Relationship Building
Global Expansion

GAPFON
KEY DIRECTION #1:

GLOBAL EXPANSION
Collaboration, support and knowledge
Satellite Offices
Models and Best Practices:

- For formal presence/satellite offices evolve
- Expectations, models and best practices being reviewed and updated
KEY DIRECTION #2:
GLOBAL ADVISORY PANEL ON THE FUTURE OF NURSING AND MIDWIFERY

Global healthcare leaders
Data collection and collaboration toward outcomes-based action

• Global meetings concluded as of a few days ago…
• Next steps…. 
KEY DIRECTION #3:

MEMBER ENGAGEMENT

Relevant, valued programs, events, products and services
Institutes to prepare healthcare leaders to effectively work in and/or lead major public health departments, public or private organizations, and global programs and initiatives, thereby directly and indirectly improving the health of people worldwide.

Registration is now open for the Emerging Global Leader Institute.
KEY DIRECTION #4:

MEMBER GROWTH

Educational structures, systems, regulations and standards to support global member growth
DBASE to identify:

• What is the equivalent to a baccalaureate degree nurse? What are the educational systems? What are the regulatory standards? What regulatory and standards boards exist? Etc.
KEY DIRECTION #5:
RELATIONSHIP AND REPUTATION BUILDING

United Nations, World Health Organization, other global organizations, institutions and associations, ministers of health/governments, and other stakeholders
Relationship and reputation building: a few examples

- Ex-officio Member, Executive Committee of the Global Network of World Health Organization Collaborating Centres
- Affiliate status, International Council of Nurses
- ECOSOC Status, United Nations
- Collaborating with USAID
- Steering committee, Nurses on Boards Coalition
STTI and the United Nations – a specific example of relationship and reputation building

STTI has Special consultative status granted by the Economic and Social Council
United Nations

- International organization
- Founded in 1945
- Flags of 193 member states and the United Nations flag, flown in English alphabetical order
- Committed to:
  - Maintaining international peace and security
  - Developing friendly relations among nations
  - Promoting social progress, better living standards and human rights
As an Non-Governmental Organization (NGO), there are Two Levels of Affiliation

• Associated Status

• Economic and Social Council (ECOSOC) Special Consultative Status
ECOSOC: Special Consultative Status

- STTI received ECOSOC status in July 2012
- May be requested to provide expert analysis on global health
- Helps advance the U.N.’s goals and objectives, such as MDGs and SDGs
- May make written and oral statements concerning nursing and global health at U.N. events (invited)
- May serve on health-related committees
- May attend international U.N. conferences, events and meetings
STTI’s Responsibilities

- Complete quadrennial report (due 2016)
- Submit annual evaluation report re: U.N. related activities
- Promote knowledge of U.N.
- Disseminate information about U.N. principles and activities
- Communicate via NGO Relations’ e-mails
- Support U.N. initiatives
U.N. Millennium Development Goals (ended 2015)
STTI MDG Activities:

- Two hundred fifty-two (286) STTI chapters around the world engaged in Millennium Development Goals (MDG) related projects.
- Conducted a workshop at the 65th Annual UN DPI/NGO Conference in New York, 2015
- Hosted a parallel event at the 59th session of the Commission on the Status of Women in New York, 2015
Current STTI Activities:

• Hosted a parallel event at the 60th session of the Commission on the Status of Women in New York, March 2016
• New STTI Liaison appointed
• Second STTI Youth representative named
• STTI Youth representative nominated for UN youth leadership role
• Additional program planning underway
STTI U.N. Liaison:
Connie Sobon Sensor, PhD, RN, CTN-A

The STTI liaison advocates on behalf of STTI at the U.N. and the NGO community.

- Former STTI International Board of Directors member
- School Health Nurse, Township of Union Board of Education, Union, New Jersey, USA
STTI U.N. Youth Representatives

• Represent STTI to the United Nations Department of Public Information and the NGO community.
