

Learning Activity:

LEARNING OBJECTIVES	EXPANDED CONTENT OUTLINE
The learner will be able to explore and discuss what aspects of Higher Education Institution Involvement with Practice Placement Learning are valued by adult field undergraduates	• The Initiation of HEI Support • Roles and Responsibilities • Timing and Relevance • Ownership for Learning
The learner will be able to critically reflect upon the potential usefulness of the research findings to inform further research in this field	Reflect upon current models of Practice Placement support for undergraduates and how these could evolve in the future to support students whilst learning on practice placements
