

Learning Activity:

LEARNING OBJECTIVES	EXPANDED CONTENT OUTLINE
1. Participants will be able to explain the magnitude of human trafficking on a global and national level.	Global, national, and local Toledo area data on human trafficking will be provided on the poster.
2. Participants will be able to identify indicators of human trafficking.	Indicators of human trafficking as noted in the literature will be displayed on the poster.
3. Participants will be able to find available resources to help rescue and support victims of human trafficking.	Global, United States, and Toledo area resources will be displayed on the poster.
