Objectives

• Learn the requirements to begin the STTI developing honor society and chapter development process
• Understand the timeline and process for applying for chapter charter status
What Is a STTI Chapter?

• A chapter is an organized group of nurse students and nurse leaders who meet Sigma Theta Tau International’s eligibility standards
  – one school----- 90% of chapters
  – many schools
  – school(s) and practice settings
• Prior to becoming a chapter, the group is called either:
  – developing honor society
  – at-large developing honor society

NOTE: Although STTI provides support and resources to the developing honor society, the honor society is not legally affiliated with STTI until after the chapter charter application has been approved AND the official chartering ceremony has taken place.
