Presenter: Lois S. Marshall, PhD, RN

Title: SPECIAL SESSION: Research Abstracts, Proposals, and Grant Writing: Basics From Start to Finish

Type: Oral

Keywords: abstract writing, grant writing and proposal writing

Description/Overview:
This presentation will provide the novice researcher the basics to write a research abstract, proposal, and/or grant for submission. This session will enable participants to gain a basic understanding of the steps of the abstract/proposal/grant writing process in order to enable them to put forth a submission in the future.

Final Number: G 03
Slot: G 03: Friday, 28 July 2017: 4:00 PM-4:30 PM

References: None.
